

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE TARIFF APPLICATION OF HARDIN	)	
COUNTY WATER DISTRICT NO. 1 FOR	)	CASE NO. 9506
AN INCREASE IN CONNECTION FEES	)	

O R D E R

On March 24, 1986, Hardin County Water District No. 1 ("Hardin No. 1") filed an application with the Commission requesting approval of an increase in its Connection Fees. The application filed by Hardin No. 1 is in compliance with Administrative Case No. 275, Guidelines for Revising Non-Recurring Charges Outside General Rate Cases.

There is no need for an absorption test in this case because the charges in question deal only with meter connections. These charges are properly accounted for as capital expenditures. They are not recorded as revenues and have no impact on the district's income statement.

The Commission after consideration of the evidence and being advised is of the opinion and finds that the non-recurring charges filed by Hardin No. 1 in this case are in compliance with 807 KAR 5:011 (10), are in the best interest of Hardin No. 1 and the public and should be approved.

IT IS THEREFORE ORDERED that:

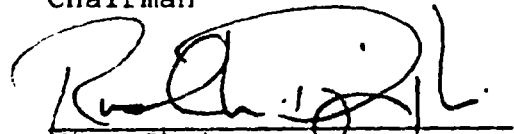

1. The proposed meter connection charges in Appendix A filed by Hardin No. 1 be and they hereby are approved on and after the date of this Order.

2. Within 30 days of the date of this Order, Hardin No. 1 shall file its revised tariff sheets setting out the proposed meter connection charges approved herein.

Done at Frankfort, Kentucky, this 26th day of June, 1986.
